

### **Club Attendance Policy:**

In order to remain on a team roster, players must adhere to the club attendance policy. Attendance Policy is as follows:

1. By registering and attending tryouts, it is implied that there is intent to actively participate with the team if selected. If selected for a team, it is expected that the player will actively participate in team activities, including practice sessions and scheduled games. If a player is selected for a team, but is not actively participating with the team, the player's status will be subject to review by the Executive Board to determine if the player should remain on the team roster.
2. Players must make a reasonable attempt to attend Fall outdoor and Spring outdoor scheduled league games. If a player will be absent from a game, the head coach will be notified by the player or parent.

Any player who does not adhere to the above requirements will be subject to removal from the team roster by the club Executive Board of Directors.

### **Tryout Attendance Policy:**

In order to be selected for a roster position on a Twinsburg AC Soccer team, a player-candidate must attend the mandatory scheduled tryout for their appropriate age group. If a player does not attend the mandatory scheduled tryout, they will not be selected for a team. A player candidate may only try out for one Twinsburg AC Soccer team.

The Executive Board of Directors will determine what is deemed an emergency reason to miss the mandatory scheduled tryout. In the event of an emergency in which a player-candidate cannot attend the scheduled mandatory tryout date, the Club President must be notified prior to the mandatory scheduled tryout. The Executive Board of Directors will then review the circumstance and render a decision on whether the player-candidate should be afforded a "make-up" tryout. Circumstances that would be considered an emergency are serious in nature and involve non-leisure activity. This is not all-inclusive, and additional circumstances will be considered by the Executive Board PRIOR to the mandatory scheduled tryout. However, it is expected that all player-candidates attend the mandatory scheduled tryout, and make-up tryouts will only occur in an extreme situation.
